

Dear John,

The worksheet features four circular cards for handwriting practice, each with a number and a word in red. Below each word are two sets of handwriting lines. The words and their corresponding lines are:

- Card 3: **wet**. Lines contain "net" and "jet".
- Card 4: **hop**. Lines contain "top" and "pno p".
- Card 5: **cat**. Lines contain "bat" and "hat".
- Card 6: **fig**. Lines contain "pig" and "wig".

A red circle highlights the word "pig" on the "fig" card. A red Chinese annotation "位置要寫對" (Position must be written correctly) is placed next to the "fig" card.

At the bottom, a bathtub illustration contains the words: top, net, wig, sad, hat, nut.

Page number 34 is in the bottom right corner.
