A photograph of a bird, possibly a species of woodpecker, sitting on a nest made of sticks. The bird is perched on a thick tree branch. The nest is constructed from a dense pile of dry sticks and twigs. The background is a lush green forest with many leaves. A red thought bubble is overlaid on the left side of the image, containing the Chinese text '我只是一根樹枝' (I am just a tree branch).

我只是一  
一根樹枝
