A photograph of a traditional Chinese temple courtyard. The central focus is a large, ornate incense burner (censer) with a tiered roof, situated on a raised platform. The courtyard is enclosed by a red wooden structure with white pillars. On the left and right sides, there are large calligraphic scrolls hanging on the walls. The main entrance is a large, multi-tiered gate with a red tiled roof and intricate carvings. The sky is clear and blue. The text '謝謝聆聽' is overlaid in the center in a large, light green font.
